Hi Matt.

This looks like a great project. Keep me informed about what you learn.

All the best,

Dave Brown

Subject: Honors Contract Approval

Dr. Brown,

I have attached my honors contract proposal form and my written proposal for my next honors contract. As outlined in the proposal, it involves doing extensive data exploration and analysis on data collected for a study I am working on with Kady Schneider. If everything looks in order, would you email me back with your approval?

Thank you,

Matt Isaac
